**PLEASE BE AWARE**

There has been several instances of theft and vandalism in the Fort Stanton Community. We need extra eyes and ears for reporting crime and helping neighbors. Citizen involvement is essential to combat crime. We need to watch out for each other and the neighborhood, and report suspicious activities.

## **EXAMPLES OF SUSPICIOUS ACTIVITIES**

- A high volume of traffic going to and coming from a home on a daily basis
- Abandoned vehicles
- Someone loitering around schools, parks, or secluded areas
- Someone peering into cars or windows

## **COVID CONSIDERATIONS**

For general information about how our community is addressing the pandemic, please contact your block coordinator or an executive board member of the Fort Stanton Civic Association (FSCA). Alternatively, 311 is available to you for information and resources.

**DO CALL 911 if you develop symptoms requiring emergency assistance such as:**

- Difficulty breathing or shortness of breath
- Persistent pain or pressure in the chest
- Bluish lips or face
